

## Remarks

Claims 12-31 are pending in this application. Applicants have rewritten the claims to delete multiple dependencies to reduce the filing fee. Applicants have added claims to recite subject matter covered by the multiple dependencies. Applicants have also rewritten the claims to delete reference characters. The present invention is not limited to any particular embodiment shown in the drawings or described in the specification. Applicants have further rewritten the claims to bring them more in line with typical U.S. format. Additionally, Applicants have amended the specification to delete reference to the claims, correct the section headings and add cross-reference to the priority application. Furthermore, Applicants submit herewith on a separate sheet an abstract of the disclosure.

The undersigned authorizes the Commissioner to charge fee insufficiency and credit overpayment associated with this communication to Deposit Account No. 22-0261.

Date: 10/21/05

Respectfully submitted,
